

# Family Services Windsor-Essex 2020-2022 Strategic Plan

## Invest in Staff

- FSWE will invest in and provide technology to allow staff to work effectively and efficiently.
- FSWE fosters a culture of innovation and continual improvement.
- FSWE will maintain a culture of “family” for staff.

## Invest in People we Support

- FSWE ensures that there is never a waiting list for any of its programs and services and we offer the most effective modalities of service delivery that are clinically based.

## Invest in the Agency

- FSWE will ensure that the agency is structured to meet current and future challenges.
- FSWE is committed to non-government sources of funding. We operate a social enterprise program to generate revenue to support our community programs.

## Invest in the Community

- FSWE is a recognized community leader, collaborator and innovator.
