WINDSOR - ESSEX
COUNSELLING & ADVOCACY CENTRE

At Family Services Windsor-Essex,
we believe people can **solve**
their own problems... sometimes
they need **support** to find **solutions**.

What we do

Qualified counsellors help people grow and develop, through walk-in clinics, appointments and groups.

Person-centered support services provide strategies to help seniors and people with disabilities live independently.

A holistic approach to access housing, income, and basic needs.

Supporting
Communities
and Families.
**Strengthening
People.**

Need to talk?
We can help.
